CT-DEEP # 2023-01877

Dear Ms. Riggi:

On July 17, 2023, Enviroshield, Inc. staff responded to a call to clean up a surface spill of gasoline that appears to be the result of vandalism. The State of Connecticut Department of Energy and Environmental Protection (CT-DEEP) was notified and case # 2023-01877 was assigned. Two site photographs and a site sketch (not to scale) are included with this report.

Speedy Dry was used to absorb the liquid, and the fuel soaked debris was collected and disposed of at Tradebe Treatment and Recycling of Bridgeport LLC, 50 Cross Street, Bridgeport, Connecticut. A copy of the waste disposal Manifest is included with this report.

All work performed as part of this project was completed by a State of Connecticut licensed spill cleanup contractor according to the Residential Guidelines established by the CT-DEEP.

If you have any questions regarding this work, please do not hesitate to contact me at your earliest convenience.

Sincerely,
Enviroshield Inc.

Richard Louis
Vice President
